AWARDS & ACCOLADES

2022 ~ 94 Points. "Blending 85% Malbec, 9% Cabernet Franc, and 6% Tannat, all grown above 5,900 feet-elevation, the 2022 Malbec Gran Corte Barrel Selection is floral, well-integrated, and brimming in beautifully ripe red fruit. Overdelivering mightily on its price point, it's a delicious, full-bodied wine with complex layers of well-hewn tannin and nicely spiced oak, having spent 12 months in both French and American barrels. Drink now through 2034." - Virginie Boone - Jeb Dunnuck, May/2025

It boasts a purple hue and offers aromas of plum and white pepper, layered with chutney/oak notes. Indulgent, bold and juicy, its fine, reactive tannins create a compact, moderately rough palate. OTHER INFO

Amalaya is an exquisite representation of the unique weather and soil conditions in Argentina's Northern Calchaqui Valley that also honors the heritage of the native Calchaqui Indians.

The Calchaqui Valley sits in the northwestern region of Argentina in the eastern foothills of the Andes mountain range at an altitude between 5,250 and 5,580 feet above sea level. The high altitude provides a unique growing climate for the sustainably-farmed vineyard, providing intense sun in the day and cool nights that help better retain the acidity and concentrated fruit characteristics of the grapes.

Gran Corte is fermented in new barrels and aged for 12 months in French Oak.
