2022 ~ 91 Points. "The fruit was sourced from Con Vida Vineyard, Skaha Bluff, and Secrest Mountain Vineyard in Oliver. The majority of grapes were destemmed and crushed, while a portion remained as whole clusters to enhance structural integrity and aromatic complexity. Following fermentation, the wine was aged for nine months, 10% in new, medium toast Mercury barrels, with the balance in second fill and neutral oak. This process delivers a wine with fresh aromatics, nuanced creamy textures, and an appealing palate marked by subtle complexity. Notes of pear and peach are prominent, leading into a spicy mid-palate and a finish characterized by fresh mineral undertones and light toast." - Gismondi on Wine, Sept/2025
