AWARDS & ACCOLADES

2020 ~ 91 Points. "Pale, green-hued yellow. An incisive bouquet evokes Meyer lemon, nectarine and pungent flowers, and a minerally accent builds with air. Energetic citrus and orchard fruit flavors are underscored by a vein of chalky minerality and turn deeper through the midpalate. Spreads out steadily on the long, silky finish, which echoes the citrus fruit and floral notes." - Antonio Galloni's Vinous, June/2021

2020 ~ 91 Points. "Apricot, honeysuckle, lemon curd, pineapple and grapefruit on the nose. Hints of nutmeg and spice. Medium-to full-bodied with bright acidity and a textured palate. Oily and layered. Vegan. Drink now." - James Suckling, Oct/2021

2020 ~ 90 Points. "Vibrant aromas of melon, ripe orange, grapefruit and floral notes. Classy and tangy, with a touch of subtle oak." - Decanter, Dec/2021

OTHER INFO

The grapes for this wine come from 30.5 Ha. of low yielding very old Verdejo vineyards. The vines are trained in the vaso system and planted in very sandy soils which make possible the fact that many of the vines are ungrafted and very old. Ideally suited to the poor soils and harsh environment in the Appellation of Rueda, the vineyards of Verdejo are located in the west of Segovia, planted in very sandy soils covered with alluvial pebbles. Rueda itself is geographically unremarkable; mainly flatlands, though high in altitude, about 2,300 feet above sea level for most of the region and some areas even get snowfall.
