AWARDS & ACCOLADES

2019 ~ 94 Points. - Luca Maroni, Feb/2023

2019 ~ "Aromas of cedar, clove and crushed plums. Medium-to full-bodied with slightly chewy tannins. The nose carries onto the palate." - James Suckling, Sep/2022

2019 ~ "A mix of autumnal spices, cherry sauce and sweet herbs introduces the 2019 Montepulciano d'Abruzzo Tatone Terra d'Aligi. It washes across the palate with velvety textures contrasted by juicy acidity, as ripe red and black fruits give way to a coating of fine tannins. While lightly structured, the 2019 is already quite giving and pleasurable today." - Antonio Galloni's Vinous, Oct/2022

OTHER INFO

Every family in Abruzzo has its own 'tatone'. A familiar and affectionate nickname for grandfather, 'tatone' is actually a fundamental figure in the traditional family hierarchy, whose age and maturity confer authority, prestige and wisdom.

Our Tatone is so: a mature and complex Montepulciano d'Abruzzo wine that is refined – 24 months in large Slavonian oak barrels and then 3 months in the bottle – to give it balance and elegance. It has aromas of fruit and spices and an excellent structure, accompanied by a lingering finish.

It is a complex yet genuine wine, like all 'tatone' wines, closely linked to its traditions and its land: we cultivate this land of Abruzzo with love and respect, growing grapes with the knowledge of generations of vine-dressers, using cutting-edge technologies to protect and enhance its qualities. Our Terra d'Aligi.
