AWARDS & ACCOLADES

2023 ~ 94 Points. "Medium cherry red, vibrant, with a soft violet hue. Aromas of ripe fruit, spice, many ripe berries, and toasted notes. Juicy, smooth, fresh, and compact on the palate. Fruity." - Club de Amantes del Vino Guía Mesa de Cata, 2026

2023 ~ 93 Points. "Engagingly fresh but rich nose of cassis, hibiscus, chiles, chocolate and a hint of tomato paste. Almost full-bodied and really bright, with fine-grained tannins and a lengthy, juicy finish. Delicious now. Why wait?" - Zekun Shuai - James Suckling, Mar/2025

2023 ~ 93 Points. - Descorchados 2026

2023 ~ 93 Points. "... the 2023 T.H. Carignan Maule originates from two sites in Sauzal and Melozal. It opens with impressive fruit purity, accented by purple flowers, roses and underbrush. Energetic acidity and refined tannins intersect with a lush, sweetly fruited palate that maintains total precision, while a savory dimension adds depth through a beaming, energetic finish." - Matthew Luczy - Robert Parker's Wine Advocate, May/2026

2023 ~ 91 Points. SILVER "Quite sanguine nose with a nice earthy edge and lovely floral lift, wild herbs undertones. Precise, vibrant and lively style." - Decanter World Wine Awards 2025

2022 ~ 95 Points. BEST MAULE - Descorchados, 2025

2022 ~ 95 Points. - Club de Amantes del Vino Guía Mesa de Cata, 2025

2022 ~ 95 Points. "Intense nose of tobacco, graphite, and gravel. On the palate, the wine is so smooth, taut, and with wonderful spice and incredible definition. This is a remarkable Carignan: it has spices, licorice, and overall pure energy and vitality. A benchmark among Maule Carignans. Would it be fair to say that the best Carignan vineyards in the world are located there? Based on this example, the answer is a resounding yes. Excellent." - Alistair Cooper MW, Catad'Or Wine Guide Apr/2024

2022 ~ 93 Points. "An excellent delivery of carignan that shows natural concentration, ripeness and, most importantly, freshness. Creme de cassis, blackberries and dried hibiscus flowers with a hint of sweet spices and chestnuts. Full-bodied and plump in the middle, supported by a strong undertone of fresh, fine tannins. Long and fresh. Drink now or hold." - James Suckling, Mar/2024

2022 ~ 93 Points. "Brooding and dark, with a nose of cherry liquor, hints of red cherry, dark plum and plush berry fruit on the palate." - Decanter World Wine Awards 2024

OTHER INFO

The D.O. Maule, located 350 kilometres south of Santiago, is the largest of Chile's wine producing regions. With almost 30,000 hectares planted, it represents over a quarter of the national total. Maule's climate is warm temperate to warm in the central and western areas, where these two vineyards are located [Cauquenes and Loncomilla]. T.H. stands for Terroir Hunter ~ This T. H. venture is a limited and dynamic release of compelling wines from appellations which truly represent Chilean diversity, regional differences and innovation. These wines diverge from the trend towards standardization in the global viticulture, featuring freshness, character and purity rather than over-ripening and the increasingly common big taste of oak and alcohol. T.H. wines are produced with minimal intervention and "make up", using grapes from a selection of small vineyards which are carefully demarcated, understood and managed with an organic orientation and conscious respect for the environment.
