AWARDS & ACCOLADES

2016 ~ 90 Points. "A huge hedonistic nose, with spice, blueberry ripe dark fruits and pencil shavings. It's a really seductive palate with fine tannins that are really well integrated. There's a lovely zip to the finish which really lifts this wine into another gear." - Decanter Magazine, Apr/2019

2015 ~ 93 Points. - Descorchados 2018

2015 ~ 92 Points. "One sniff gives this away as real-deal Carmenère, meaning it's spicy, foxy and fruity, but also herbal and piquant. A deep, firm palate is well cushioned and in balance. This pours on dark flavors of peppery blackberry prior to a toasty finish. If any wine captures the essence of Peumo Carmenère, this is it. Drink through 2022." - Wine Enthusiast, Mar/2018

OTHER INFO

The grapes come from a specially chosen vineyard in Peumo, on the western side of the Cachapoal Valley, an area known for producing the best Carmeneré wines in Chile. The Peumo area in particular enjoys a climate that is quite apt for Carmeneré. Its latitude ensures high temperatures throughout much of the grape ripening period but its proximity to the coast also exerts a mild influence, with soft breezes on summer afternoons that enable the grapes to better conserve their acidity, resulting in a wine with fresher flavours and aromas.
