AWARDS & ACCOLADES

2018 ~ 92 Points. "Cauquenes is one of the warmer sites in which to grow Syrah in Chile, with none of the coolclimate freshness of Leyda, but Rafa Urrejola has worked his magic here, picking early to retain some zip and focus. Tobacco and wild herb notes are underpinned by savoury tannins, a hint of meaty reduction and concentrated damson fruit. 2023-30" - Tim Atkin's Special Report on Chile 2021
